ALL-NEW

MUSSEO EV

POWER WITHOUT COMPROMISE

The KGM Musso EV is South Korea's first all-electric pickup, blending rugged utility with modern EV efficiency. Its unibody design merges body and deck for a sleek, tough silhouette, while the interior offers SUV-level comfort: reclining/sliding rear seats, wide panoramic displays, and advanced safety and battery management systems. The Musso EV is positioned as a practical and bold pickup for both work and daily life.
